Fellow Sobans,

We could not have hoped for a better Mini Convention. The turnout was great. We had delegations of two or more members from 11 chapters! A couple of chapters like Montreal and Dallas had 4 delegates each. SOBA New England put up an exceptional show. Special thanks to all New England Sobanese for all the hard work, wonderful meals and hospitality they showed to us during our stay in Boston.

Special thanks to Emeritus Nobert and Sobanese Denise for hosting us at their beautiful residence on Friday. The lunch offered to us by N.E Sobanese during deliberations was nothing short of spectacular. Thanks to president Enang and all N.E Sobans for a job well done. N.E once again showed why they have consistently been a source of pride for SOBA America. Our brunch this morning at Soban Victor kwo's residence was quite awesome. His wife offered us a five-star breakfast and lunch.

We were also treated to a surprise keynote address and course, "wisdom 101" from our very own Dr. Bill Tita on Friday night. It was truly inspirational. Thank you Dr. Tita. How about that gala? It was impressively elegant and thanks to our MC Bendrix Tabu from Houston. I am still getting calls from people about how they can reach you.

The primary test of a good convention is the deliberations. Boston did not disappoint. We arrived at many important resolutions, which will change SOBA America in the coming days and weeks...Stay tuned. Thanks to all members of the National Leadership Team for the outstanding work they did in preparation for this convention and during the convention. Thanks to V.P Dr. Fote, CFO Chief JN Fomenky, F.S Prof Felix Ngassa, S.G Mbei Enoh, O.S Emanuel Asanji and Publicity Secretary Kinsley Ayagim. I also want to extend my sincere gratitude to all the delegates from the various chapters who made it to Boston for this event. Your commitment will go a long way to strengthen our organization. Next stop...HOUSTON 2016!!!!!!

Sobanly,  
Frederick Itoe  
President, SOBA America.
