Unprecedented Membership Drive in Progress!

The National Leadership Team under the precept of its dynamic President Frederick Mafany Itoe, has launched an unprecedented major membership drive in the US and Canada. Membership packages have been sent by US Postal mail to about 275 Sobans and Ex-students of Sasse college, inviting them to renew or join SOBA America.

We are inviting all Sobans and ex-students of SJC Sasse to check their postal mails and kindly respond as soon as possible. A small gift from SOBA America is included in every package. One of the major goals of the new Leadership Team is to grow the membership of SOBA America. Our membership can certainly increase way beyond the 95 to 118 members we have averaged over the past few years. The executives are confident that by the next Convention in Houston, membership can increase to an unprecedented level.

The Leadership Team will be working with the chapter presidents over the coming weeks to share the database of all potential members we have assembled so as to integrate them with their respective chapters. Please call, email, or text our S.G the names of any members we might have missed during this drive. All members/potential members should receive their respective packages in the mail by Tuesday next week. Mailing times for Canada might be longer. Please do keep an eye on your postal mails for a membership package from SOBA America. It covers membership information and potential new benefits!

Please reach out to our Press Office or Organizing Secretary for more information, questions or concerns. The Press Office can be reached at 651-278-9560 or via email at daddyk4life@yahoo.com. Our Organizing Secretary can be reach at 514-993-3425 or via email at ngufor33@yahoo.com.
