SOBA America launches new phone number

August 6, 2019

Fellow SOBANS,

As part of the Fote administration's efforts to transform SOBA America into a highly functional and effectively run organization, we are launching a toll free number for SOBA America. This will allow SOBANS, patrons and the general public to have an easy access to SOBA America for information and other purposes. This number will be permanent so SOBANS and the community will continue to reach the administration even when administrations change. The calls are forwarded to the appropriate official.

The number is **1 (888) 504 SOBA** (1-888-504-7622). There are four extensions.

To reach the **Office of the President, dial Ext 0**. You will be able to have direct contact with the President of SOBA America.

To reach the **General Secretariat, dial Ext 1**. You will be able to the Secretary General's office for questions regarding your membership.

To reach the **General Accounting Office, dial Ext 2**. You will reach the Financial Secretary's office for questions about finances. This includes payment of dues, making tax-deductible donations to Sasse Alumni Association/SOBA America and any other financial matters.

To reach the **Public Relations Office, dial Ext 3**. You will reach our Communications Department for questions about upcoming SOBA America events, advertising on the future SOBA America TV network, general information about SOBA America, making announcements etc

We are also working on a membership management platform that will streamline our membership management. We will be sending out more information in due course.
