

2022 SOBA America General Assembly Attendance Roster

Only SOBANS whose names are highlighted (in orange) in the list below attended at list part of the 2022 Annual General Assembly meeting.

Please note that while all the names in this list represent SOBANS who registered, not everyone attended the general assembly meeting. The check-in process required SOBNS to sign next to their names. IN addition to that, the box for receipt of their convention meeting material which included the SOBANESE gift was checked by the registration/check-in team as they were handed. Consequently, even though some SOBANS did not sign, a check in the box entitled S'Nese Gift indicates that they were present and received the package. Their names are, therefore, highlighted
